**Position:** Equipment Operator/Environmental Technician

**Company:** A-Zone Environmental Services, LLC, an environmental consulting and services firm, is seeking an experienced Equipment Operator/Environmental Technician to join our growing team. The position is located in the Tidewater area of Virginia.

**Job Description:** The position involves operation and maintenance of a variety of small and heavy equipment (i.e., skid steer, backhoe, excavator, trackhoe, and dozer) during construction and maintenance of a waste cell. Job responsibilities may also include assisting in collection of various environmental samples and measurements. Occasional use of respirators, protective suits, and other personal protective equipment may be required.

### **Job Duties:**

- Operate and perform general maintenance on small and heavy equipment.
- Maintain equipment in a clean, lubricated, painted, and good working condition.
- Oversee delivery and off-loading of supplies and materials.
- Complete field reports.
- Operate equipment and perform work safely.

### **Required knowledge, skills, and abilities:**

Operator must have considerable knowledge of the operating principles and practices and the maintenance requirements of heavy machinery. Must possess excellent written and oral communication skills and must work well with staff and subcontractors. Experience or proficiency working with Microsoft Office programs is preferred.

### **Education and Experience:**

High School Diploma, GED, or vocational school supplemented by college or technical training courses in environmental science or a related field.

### **Certificates, Licenses, and Registrations:**

A valid driver's license is required and a safe driving record as measured by company policy. A CDL is preferred. Also preferred is 40-hour HAZWOPER certificate and current 8-hour refresher. Employment is dependent upon the findings of a background check.

**Physical Requirements:** Work may be performed under extreme weather conditions including hot and cold ambient temperatures. Tasks involve bending, lifting, walking, carrying and using a force equal to lifting 50 to 100 pounds. Employment is dependent upon passing drug screening and physical examination by medical professional for the anticipated work requirements.

**Salary:** This is a full-time, hourly position. Pay is dependent upon qualifications and experience.
