

## JOB DESCRIPTION

**Position:** Environmental Driller's Assistant (Entry Level)

Get your career going in the environmental services industry with A-Zone Environmental Services, LLC, a growing environmental consulting and field services firm. A-Zone currently has need for an entry level Environmental Driller's Assistant. The position is located in Charles Town, West Virginia.

**Essential Responsibilities and Duties:** This physical position involves a diverse set of roles and responsibilities to support field work efforts on projects throughout the eastern United States. This position is a field work position, required approximately 75% outdoor work, and in some cases, in extreme weather conditions. Field work includes groundwater sampling, environmental drilling and environmental remediation services operations. Job responsibilities will include assisting lead environmental driller on a variety of projects and tasks. Work will include driving responsibilities, maintenance of field equipment, operation and maintenance of small and heavy equipment, and collection of various environmental samples. Position requires up to 50% overnight travel throughout the eastern United States. Occasional use of respirators, protective suits, and other personal protective equipment may be required.

### **Essential Job Duties:**

- Assist lead driller with environmental drilling and sampling operations
- Operate and perform general maintenance on small and heavy equipment
- Maintain equipment in a clean, lubricated, painted, and good working condition
- Oversee delivery and off-loading of supplies and materials
- Safely deliver equipment and materials to jobsites
- Reporting of field activities and supply lists
- Coordinate subcontractors
- Knowledge of safety policies and procedures
- Operate equipment and perform work safely
- Perform physical labor, shoveling, drilling debris and transporting materials
- Drive trucks to job sites as directed by supervisor
- Maintain certifications

### **Job Requirements and Qualifications:**

- Have a valid drivers license with clean record; CDL preferred
- Must be willing to travel extensively
- High School Diploma or GED
- One year of steady work experience in construction or drilling
- Ability to lift up to 50 pounds throughout the day
- Must pass background investigation, pre-employment physical and drug screening

**Salary:** This is an hourly position with overtime. Typical work schedule is between 30 and 50 hours per week. Pay is dependent upon qualifications and experience. A-Zone has competitive benefits for full time employees.
