

A-ZONE

ENVIRONMENTAL SERVICES

JOB DESCRIPTION

Position: Equipment Operator

Company: A-Zone Environmental Services, LLC (A-Zone), provides a wide variety of construction and demolition services to federal and commercial clients throughout the US. A-Zone is seeking an experienced Equipment Operator to join our growing team. The position will be based out of our office located in Charles Town, WV. Work sites are located throughout the US, but mainly concentrated in the Mid-Atlantic Region.

Job Description: The position involves operation and supervision of environmental remediation, construction, and demolition services using a variety of heavy equipment (i.e., skid steer, excavator, backhoes, front end loaders, and dozers).

Responsibilities:

- Operate large and heavy equipment for excavation, demolition, and earthwork construction services.
- Perform and supervise small crews to perform remediation, construction, and demolition projects
- Compliance with company health and safety protocols
- Read plans and specifications
- Perform general maintenance on small and heavy equipment.
- Maintain equipment in a clean, lubricated, painted, and good working condition.
- Oversee delivery and off-loading of supplies and materials.
- Complete field reports.
- Operate equipment and perform work safely.
- Work outdoors in all weather conditions.

Qualifications:

- Must hold a valid Driver's License.
- Must have experience with grading, excavating, trenching, material loading and hauling. Must be able to operate heavy equipment to standards of accuracy (ex. build to grade)
- Experience with UST and AST removals. UST/AST Remover certification preferred for with current license in MD, VA or Washington DC preferred.
- Must have an understanding of basic math skills
- Must be a team player who has a willingness to learn, manage, and mentor other operators.
- Must have excellent communication skills and customer service skills
- Must be able to work overtime, weekends, and holidays as required

Education and Experience:

High School Diploma, GED, or vocational school supplemented by college or technical training courses in environmental science or a related field.

Certificates, Licenses, and Registrations:

A valid driver's license is required and a safe driving record as measured by company policy. A CDL is preferred. Also required is 40-hour HAZWOPER certificate and current 8-hour refresher. Employment is dependent upon the findings of a background check.

Physical Requirements: Work may be performed under extreme weather conditions including hot and cold ambient temperatures. Tasks involve bending, lifting, walking, carrying and using a force equal to lifting 50 to 100 pounds. Employment is dependent upon passing drug screening and physical examination by medical professional for the anticipated work requirements.

Other Requirements: Company conducts random drug/alcohol screening.

Salary: This is a full-time, hourly position. Pay is dependent upon qualifications and experience.
